

NEW PATIENT'S MBI (Medicare Beneficiary Identifiers)

As we all know starting January 1, 2020, you **MUST** check Medicare Eligibility and submit claims using the new MBIs.

How will you get this New MBI?

1. Ask your patients, as Medicare has mailed the numbers to each patient. Otherwise;
2. If you get your Electronic Remittance Notices (**ERN**) through CradleMRx,
 - a. Run the "Missing MBI Numbers" report and update the most current Episode's HIC number with the provided MBI.
